

# AUTOMOTIVE INDUSTRIES

## The AUTOMOBILE

VOL. XXXVIII

NEW YORK, JANUARY 3, 1918, TO JUNE 27, 1918

NOS. 1 TO 26

## Index to Volume XXXVIII

### ASSOCIATIONS

A. A. A. Adopts Highway Problem.....	1060
A. A. A. Again Controls Racing.....	571
A. A. A. Changes Committee Heads.....	613
A. A. A. Discusses Highways.....	982
A. A. A. Sanctions 4 Races.....	786
American Drop Forge Assn. Meets.....	1270
American Gear Manufacturers Assn. Meets.....	821
American Supply & Machinery Mfrs. Assn.....	745
Boston A. A. Recruits Mechanics.....	392
Boston Dealers Assn. to Solve Freight Problem.....	246
Chamber of Commerce Delegates Urge Better Roads.....	790
Chamber of Commerce Meets.....	743
Chamber of Commerce (U. S.) Resolutions.....	789
Chicago Assn. of Commerce Hears Arnold.....	711
Chicago Aviation Club Formed.....	611
Cleveland Commercial Car Dealers' Assn. Formed.....	482
Dayton Engineers' Club to Dedicate New Home.....	223
Detroit Aero Club Organized.....	346
Detroit A. C. Forms Truck Section.....	931
Drop Forge Men Convene.....	1270
East Michigan Pike Assn. Pathfinder.....	936
Employment Managers Organize.....	1148
Engineers Addressed by Kettering.....	929
Engineers Form War Committee.....	1277
Foreign Trade Convention Opened.....	786
Foreign Trade Convention Reports.....	873
French Engineers' War Congress.....	757
Gas Engine Makers Convene.....	1103
Gear Manufacturers to Convene.....	516
Highway Industries Assn. Headed by S. N. Williams.....	426
Highway Industries Assn. to Have Washington Office.....	386
Highway Traffic Assn. Wants Definiteness.....	788
Industrial Engineers Conference.....	700
Lincoln Highway Assn., Joy to Retire from Presidency of.....	241
Lincoln Highway Assn. to Build Utah-Nevada Road.....	392
Machinery Men to Meet.....	745
M. A. M. A. Adds 22 Firms.....	249
M. A. M. A. Annual Banquet.....	142
M. A. M. A. Convention Addressed by Beecroft.....	1056
M. A. M. A. Credit Men Meet.....	1020
M. A. M. A. Credit Men to Meet.....	975
M. A. M. A. Directors Meet.....	835
M. A. M. A. Elects 5 New Members.....	1023
M. A. M. A. Reelects Officers.....	142
M. A. M. A. Refuses Sanction to Chicago Shows.....	882
M. A. M. A. Sanctions Chicago Show.....	1280
M. A. M. A. to Continue Work.....	610
M. A. M. A. Washington Office Enlarged.....	608
Manufacturers to Organize.....	1153
Marine Engineers Discuss Standardization.....	259
Michigan Good Roads Assn. Postpones Meeting.....	563
N. A. A. J. Delegates Arrive.....	1154
N. A. A. J. Elects Beach President.....	191
N. A. A. J. Has 22 New Members.....	290
N. A. A. J. Plans Exhibit.....	1233
N. A. A. J. Show Sanctioned.....	1280
N. A. C. C. Clears Up Tax Jumble.....	1058
N. A. C. C. Conference on Taxes.....	1013
N. A. C. C. Opposes Truck Tax.....	1153
N. A. C. C. Agrees with War Industries Board.....	514
N. A. C. C. Appoints Truck Committee.....	343
N. A. C. C. Approves Tire Size Schedule.....	968
N. A. C. C. Asks Fuller Report on Trade.....	560
N. A. C. C. Forms Truck Division.....	561
N. A. C. C. in Foreign Trade Convention.....	187
N. A. C. C. Investigating Blends.....	1112

N. A. C. C. Issues Liberty Loan Bulletin.....	802
N. A. C. C. Plans Bureau at Capital.....	568
N. A. C. C. Platform.....	143
N. A. C. C. to Develop Standardization.....	1147
N. A. C. C. Traffic Committee Meets.....	704
N. A. C. C. Urges Rural Expresses.....	1104
N. A. C. C. Withdraws from Automobile Committee.....	514
N. A. C. C. Wants Better Export Service.....	241
N. A. D. A. Appoints War Service Committee.....	574
N. A. D. A. Backed by Chicago.....	1153
N. A. D. A. Backed by Louisville.....	1153
N. A. D. A. Backed by Milwaukee.....	1153
N. A. D. A. Branch Offices for.....	430
N. A. D. A. Elects Botterill President.....	345
N. A. D. A. to Increase Membership.....	1234
N. A. D. A. to Perfect Theft Law.....	888
N. A. D. A. to Release Mechanics.....	1016
N. A. D. A. Trains Men.....	840
N. A. D. A. Working for New Members.....	1288
Natl. Assn. of Employment Managers Formed.....	1148
Natl. Assn. Engine and Boat Manufacturers Elects Sutphen.....	571
National Assn. Engine & Boat Manufacturers Meets.....	293
National Assn. of Manufacturers Meets.....	1012
National Assn. Show Managers Urges Shows.....	1235
National Conference of Tractor Manufacturers Formed.....	612
National Gas Engine Assn. to Meet.....	745
National Implement & Vehicle Assn. Adopts Standard Track.....	925
National Pipe & Supplies Assn.....	925
National Safety Council (Kansas City Branch) Annual Dinner.....	290
National Supply & Machinery Dealers' Assn.....	745
National Supply & Machinery Men Elect Nicklis.....	1066
New England Highways Return Load Assn. Formed.....	847
New York Highway Traffic Assn. Meets.....	788
New York State Jobbers Organize.....	787
Northwestern Tractor Trade Assn. Formed.....	477
Ohio Automobile Jobbers Assn. Meets.....	1156
Ohio Automobile Trade Assn. Elects Moon.....	754
Ohio State A. A. Meeting Postponed.....	521
Ontario Dealers Complete Organization.....	747
Philadelphia Motor Truck Assn. Dinner.....	837
Providence Chamber of Commerce Return Load Work.....	847
Purchasing Agents Assn. in Toledo.....	567
Reo Benefit Assn. Elects Officers.....	618
Rubber Club Addressed by Vanderlip.....	147
Rubber Trade Assn. Appoints War Committee.....	245
Rubber Trade Assn. Elects Officers.....	148

### Society of Automotive Engineers

1500 to Attend Chicago Dinner.....	189
Adds 1000 Members in 1917.....	150
Absorbers Discussed by Pennsylvania Section.....	684
Aircraft Practices Denoted.....	234
Aircraft Practices Sanctioned.....	163
Aircraft Standards.....	410
Aircraft Standards.....	505
Airplanes Discussed at Summer Meeting.....	1168
Annual Dinner.....	151
Automotive Design and Transportation.....	453
Aviation Chief Topic at Meeting.....	187
Aviation Chief Topic of S. A. E.....	157
Chicago Section Discusses Engines.....	891
Chicago War Dinner.....	313
Class B War Truck Transmissions Discussed.....	327
Cleveland Section Hears of Gyroscopes.....	1066
Cleveland Section to Hear Lee.....	982
Cleveland Section to Meet March 15.....	563
Coffin Lauds Airplane Accomplishments.....	1166
Dayton Dinner to Have Large Attendance.....	922

Dayton Gets Summer Session.....	470
Dayton Summer Meeting, Plans for.....	1144
Deeds, Col., Addresses S. A. E.....	1167
Delegates Return from Europe.....	837
Detroit Section Discusses Gun-Making.....	891
Detroit Section Has 104 New Members.....	925
Detroit Section Hears Address by Hupp.....	1068
Detroit Section Moves.....	1237
Detroit Section to Elect Officers.....	975
Detroit Section to Hear Jerome.....	842
Effects of Low Temperatures Discussed.....	400
Exhibits of Ordnance Vehicles at Summer Meeting.....	1249
Kerosene Burning Problem Discussed.....	380
Kettering S. A. E. President.....	142
Lee to Address Cleveland Section.....	982
Lubrication Discussed by Minneapolis Section.....	776
Metropolitan Section Discusses Steam Cars.....	685
Metropolitan Section Meets.....	836
Metropolitan Section to Discuss Tractors.....	792
Mid-West Section Discusses Efficiency.....	242
Mid-West Section Discusses Oil-Burning Tractor Engines.....	913
Mid-West Section Meets.....	655
Minneapolis Has Last Meeting of Season.....	925
Minneapolis Section Discusses Lubrication.....	749
Minneapolis Section Discusses Standardized Gearing.....	568
Motor Fuel Decrease Predicted to S. A. E.....	191
New York Chapter to Meet March 28.....	611
New York Section Considers Data Sheets.....	972
Oetting to Address Cleveland S. A. E.....	340
Pennsylvania Section Sees Hog Island.....	1062
Schipper Heads Detroit Section.....	1062
Schipper to Address Detroit S. A. E.....	390
Screw Threads to Be Standardized by S. A. E.....	616
Standardization of Turnbuckles Planned.....	610
Standards Committee in Busy Session.....	136
Standards Division to Meet.....	1100
Standards Recommendations.....	1175
Steam Cars Discussed by Metropolitan Section.....	685
Summer Meeting Held.....	1161
Summer Meeting, Plans for.....	1057
Tractor Design, Fundamentals of.....	354
Tractor Discussion in Chicago.....	472
Tractor Gear Teeth and Materials.....	587
Tractor, Most Economical Size of.....	500
Tractor Radiators Formula.....	149
Turnbuckles to Be Standardized.....	610
War Devices to Be Exhibited.....	835
War's Effect on Industry, Discussion of.....	25
Wright Dinner an Ovation.....	1165
Wright Dinner, Plans for.....	1144
St. Louis Dealers Elect Schlecht.....	929
Salesmanship Congress to Be Well Attended.....	706
Salesmanship Congress to Discuss War.....	786
Savannah Dealers Assn. Formed.....	480
Southern Supply & Machinery Dealers.....	745
Texas Dealers' Second Convention.....	700
Toledo Cartage Men's Assn. Formed.....	975
Toronto Dealers Organize.....	707
Tractor Men Organize.....	612
U. S. Chamber of Commerce Meeting.....	743
Waist & Dress Manufacturers' Assn. Starts Motor Truck Line.....	968
War Roads Convention for Ohio.....	291
Western Efficiency Conference.....	700
Western Oil Jobbers Hear Requa.....	706
World's Salesmanship Congress Called.....	518
World's Salesmanship Congress Meets.....	880

### BOOK REVIEWS

Aircraft Mechanics' Handbook.....	948
American Lubricants.....	735
Automobile Bibliography.....	875

Automobile Storage Battery.....	875
Aviation Engines.....	555
Motor Industry.....	592
Steel and Its Heat Treatment.....	906
Unified Accounting Methods.....	1000

## CONDITION OF THE INDUSTRY

Cleveland Airplane Activities.....	756
Cleveland Has Prosperity Wave.....	613
Coal Market Tone Good.....	617
Coal, More, Needed in Michigan.....	1147
Coal, Next Season's Supply, Being Planned.....	526
Coal Production Decreased by Labor Trouble.....	844
Coal Shipments Moving Regularly.....	482
Coal Shortage Coming.....	934
Coal Short in Detroit.....	295
Coal Situation Acute Despite Shutdown.....	343
Coal Situation Eased by Good Weather.....	573
Coal Situation Near Crisis.....	341
Coal Situation Relieved in Detroit.....	426
Coal Supply Depends on Railroads.....	979
Coal Uncertainties Cleared Away.....	709
Coke Transportation Improves.....	1026
Commercial and War Work Balance Not Struck.....	858
Curtailment Clarifies Industry.....	562
Detroit Business Improves.....	613
Detroit Conditions Unchanged.....	193
Detroit Needs Coal.....	143
Detroit Optimistic Over Steel.....	1144
Driveways Decrease.....	756
Embargoes, Raising of, Fails to Relieve Congestion.....	516
Foreign Trade Development.....	906
Freight Situation Unchanged.....	802
Fuel Demand Becomes Less Urgent.....	438
Fuel Oil Shortage Threatened.....	429
Fuel Situation Not Improved.....	240
Gas Shortage Ties up Detroit.....	340
Industrial Status in France After War.....	761
Iron and Steel Good in April.....	844
Iron and Steel Industry Improves.....	482
Iron and Steel Industry in War Work.....	799
Iron Producers Have Divergent Interests.....	526
Iron Trade Demoralized by Blizzards.....	295
Labor Conditions Analyzed.....	841
Labor Conditions Depreciated.....	1012
Labor Conditions in Detroit Investigated.....	886
Labor Demand Grows.....	1114
Labor Problems, Post-War Discussed.....	700
Labor Shortage in Detroit.....	746
Oil Interests Have Learned Co-operation.....	806
Oil Shortage Threatened.....	836
Railroads, Big Improvement by.....	424
Shortages Decrease Production.....	798
Southeast Business Improves.....	665
Steel Capacity Plentiful.....	979
Steel Industry in War Work.....	934
Steel Industry Operates at 50 Per Cent.....	344
Tool Makers, Shortage of.....	922
Used Car Business Less.....	835
War and Commercial Balance Not Struck.....	858

## CONTESTS

Altitude Record Made by Brak-Papa.....	242
Chevrolet Wins Chicago Derby.....	1288
Chicago Derby Entries.....	1244
De Palma Wins Harkness.....	1109
Duray May Race at Chicago.....	1244
Harkness Won by De Palma.....	1109
Racing Again Controlled by A. A. A.....	571
Sheepshead Bay Entries.....	1017
Sheepshead Bay Entries Closed.....	1068
Uniontown Race Won by Mulford.....	1017

## DESCRIPTIONS

Airplanes	
Albatross I.....	989
Albatross II.....	1043
Albatross III.....	1095
Albatross IV.....	1135
Albatross V.....	1194
Fokker Triplane.....	815
H. W. Biplane.....	1141
Pfalz Single Seater.....	1094
Rumpler Biplane.....	592
Sopwith Triplane.....	903
Spad Biplane.....	1213

## Accessories

Air Washer, Leonard.....	739
Axle, Torbensen.....	918
Axles, Liberty Worm-Driven.....	222
Badger Differential.....	1050
Barker Floating Bearings.....	865
Borg & Beck Clutch.....	584
Borst Truck Chain.....	906
Bosch Impulse Starter.....	1009
Bradley Hammer.....	991
Brake Lining with Jute Backing.....	644
Carburetor, Gilson-Firestone.....	919
Clutch, Stouffer.....	1139
Columbia Extension for Fords.....	783
Containers, Coal Gas.....	647
Crankshaft Pump, Taylor.....	919
Demmler Worm Drive Transmission.....	1127
Differential, Badger.....	1050
Differential Gear, Self-Locking.....	909
Extension for Fords.....	783
Ferguson Plow.....	948
Floating Bearings, Barker.....	865
Gasograph Dash Fuel Gage.....	1005
Gear, Patch Self-Locking.....	909
Gilson-Firestone Carburetor.....	919

Goodyear Cushion Tire.....	439
Hayes Metal Seat Base.....	329
Heater, Scott's Electric.....	490
Holley Heavy Fuel Devices.....	401
Hotchkiss Drive.....	467
Hubbell Toggle Switches.....	404
Ignition, Philbrin.....	716
Kelsey Wheel with Metal Felloe.....	737
Lauraine Magneto.....	640
Leonard Air Washer.....	739
Lighting for U. S. A. Motorcycles.....	627
Magneto, Lauraine.....	640
Moller & Schumann Enamels.....	1135
Muffler, Exhaust.....	415
Oliver Plow.....	999
Orem Motor Protector.....	728
Patch Differential Gear.....	909
Philbrin Ignition Equipment.....	716
Pliers, Rimco Insulated.....	506
Protector, Orem.....	728
Pump, Taylor.....	919
Ralls Truck Springing System.....	731
Rayfield Thermostat.....	356
Remy Starting and Lighting System.....	862
Resiliometer, Widney.....	1089
Selden Extension.....	783
Selden Extension.....	1197
Sewell Cushion Wheel.....	963
Smith Form-a-Truck Attachment.....	497
Spery Radiator.....	585
Springing System, Ralls.....	731
Springs (Trott).....	496
Starter and Generator Mountings of Motor Boat Engines.....	358
Starting and Lighting System, Remy.....	862
Starter, Bosch.....	1009
Stouffer Tractor Clutch.....	1139
Tank Gage, Gasograph.....	1005
Taylor Crankshaft Pump.....	919
Torbensen 3 1/2-ton Axle.....	918
Trader Carburetor for Heavy Fuels.....	448
Transmission, Demmler.....	1127
Truck Attachments, Smith.....	497
Truck Chain, Borst.....	906
Universal Terminal Cleaner.....	1123
Van Broegle Carburetor.....	555
Westinghouse Cam Regulated Generator.....	139
Wheel, Kelsey.....	737
Wheel, Q. D. for Motorcycles.....	690
Whereabouts Clock.....	1005
Widney Resiliometer.....	1089
Winch, Otis Power.....	509

## Cars

Anderson.....	116
Crow-Elkhart.....	118
Deering Magnetic.....	40
Essex.....	946
Grant.....	114
Holmes.....	155
Mercury.....	231
Moore.....	118
Olympian.....	113
Owen-Magnetic.....	118
Peerless Eight.....	373
Reo Four Slightly Altered.....	195
Revere.....	683
Scripps-Booth.....	112
Stanley Steamer in New Form.....	464
Studebaker.....	38
Templar.....	117
Willis-Knight Taxicabs.....	316
Willis-Overland.....	111

## Engines

American Sleeve Valve Engine.....	284
Benz 160-Hp. Aircraft Engine.....	217
Benz 230-Hp. Aircraft Engine I.....	369
Benz 230-Hp. Aircraft Engine II.....	449
Benz 230-Hp. Aircraft Engine III.....	503
Buda Tractor Engine.....	434
Continental Model 9N.....	860
Erd Tractor Engine.....	434
Hvid Engine.....	732
Minerva Engine.....	586
Motorcycle Engine, U. S. A.....	575
Renault 400 hp. Airplane Engine.....	1084
S. S. V. Engine.....	953
Templar Four.....	1039
U. S. A. Motorcycle Engine.....	575

## Machines

Adding Device.....	906
Ash Handling Apparatus.....	646
Baldwin Locomotives Run on Gasoline.....	686
Machine for Making Radiator Cells.....	644
Reed-Prentice Boring Machine.....	639
U. S. A. Gasoline Locomotives.....	686

## Motorcycles

Harley-Davidson Parcel Cars.....	911
----------------------------------	-----

## Tractors

British Cable.....	645
Case 9-18.....	767
Coleman.....	398
Emerson-Brantingham Model AA.....	1128
Fair-Moir.....	397
Fiat.....	357
French Vineyard.....	
Hoosier Farm.....	132
J. T.....	397
Lauson.....	874
Maxwell.....	336
Moline Universal Model D.....	1090
Plano.....	398
R & P.....	396

R & P.....	1034
Trojan.....	396
Twin City "16" Oil.....	360
Whitney.....	959

## Trucks

Chevrolet Light Model.....	233
Class AA 34-ton.....	317
Class B Truck, Chassis Design of.....	323
Collier Assembling 1500-lb.....	647
Collier Light Model.....	247
Jumbo.....	910
Rumely Small Model.....	208
Smith Form-A-Truck Army Kitchen.....	551

## EDITORIALS

Abandonment of Aero Show.....	44
Abusing Specifications.....	695
Accelerometer Uses.....	830
Accessibility in Tractors.....	740

### EXPORTS

November.....	150
December.....	355
1917 Total.....	335
January.....	522
February.....	700
March.....	883
April.....	1104
After-War Exports to Be Stimulated.....	341
Conditions of Exports Sought by N. A. C. C.....	560
Export Conservation Additions.....	1021
Export License Application.....	795
Gasoline Exports Drop.....	50
Gasoline Exports Drop in December.....	335
Gasoline, January.....	747
Inch Tire Sizes for Export.....	1012
Italian Car Exports Tripled.....	1106
Italy Exports 6678 Cars and Trucks.....	473
Italy's Exports Doubled.....	653
Italy's Exports Growing.....	588
Licenses Restricted.....	968
Licenses, Special Required.....	931
New York, November.....	54
New York, December.....	343
New York, January.....	523
New York, February.....	747
New York, March.....	929
New York, April.....	1105
Oil Exports for March.....	921
Plans May Be Changed by War Trade Board.....	515
Post-War Exports, Preparations for.....	461
Regulations for Exports Altered.....	530
Regulations for Sweden and Greece Revised.....	666
Regulations, New.....	291
Regulations Simplified.....	428
Restrictions Modified.....	1231
Rubber Exports Licensed.....	386
Tungsten Exports May Be Taxed in England.....	1159

### FOREIGN

Argentina Company Building Bodies.....	888
Argentina Does Good Summer Business.....	525
Argentine Sales Outlook Good.....	292
Australia, Automobiles Scarce in.....	1152
Australia Faces Car Famine.....	190
Australia Favors Alcohol.....	1035
Australia Has Car Shortage.....	788
Australia Likes American Cars.....	701
Australian Import Extension Restricted.....	291

Australian Import Law Modified.....	249
Austrian Interest Denied by Fiat Co.....	802
Belgian Industry to Be Reconstructed.....	1279
Belligerent Nations Steel Production.....	807
